NAVY DECLASSIFICATION/RELEASE INSTRUCTIONS ON
FILE

Mr. Matthew Baird
Director of Training
Central Intelligence Agency
2430 "E" Street, N.W.
Washington 25, D.C.

Dear Mr. Baird:

The U.S. Naval Intelligence School is making ready its second annual Operational Intelligence Course for Foreign Officers. This is a confidential level course in basic and operational intelligence for about thirty foreign naval intelligence officers. Last year the students ranged from lieutenant to rear admiral. While no list of students has been received for the class this summer it is expected that they will be of comparable rank.

The school would be greatly honored if [] of your staff could again give his presentation on "Sketching - an Aid to Observation," which was so well received last year. If such is possible a date and time of 0830-1130, Thursday, 27 July 1961, is suggested.

Should this request receive favorable consideration, details may be arranged by informal liaison with LCDR James R. Green, USN, who will be the course coordinator for the School. LCDR Green may be contacted by telephone on Code 1215, Extension 441.

Sincerely yours,

for *B. E. WIGGIN*
